

Backman18 - a new sportsboat

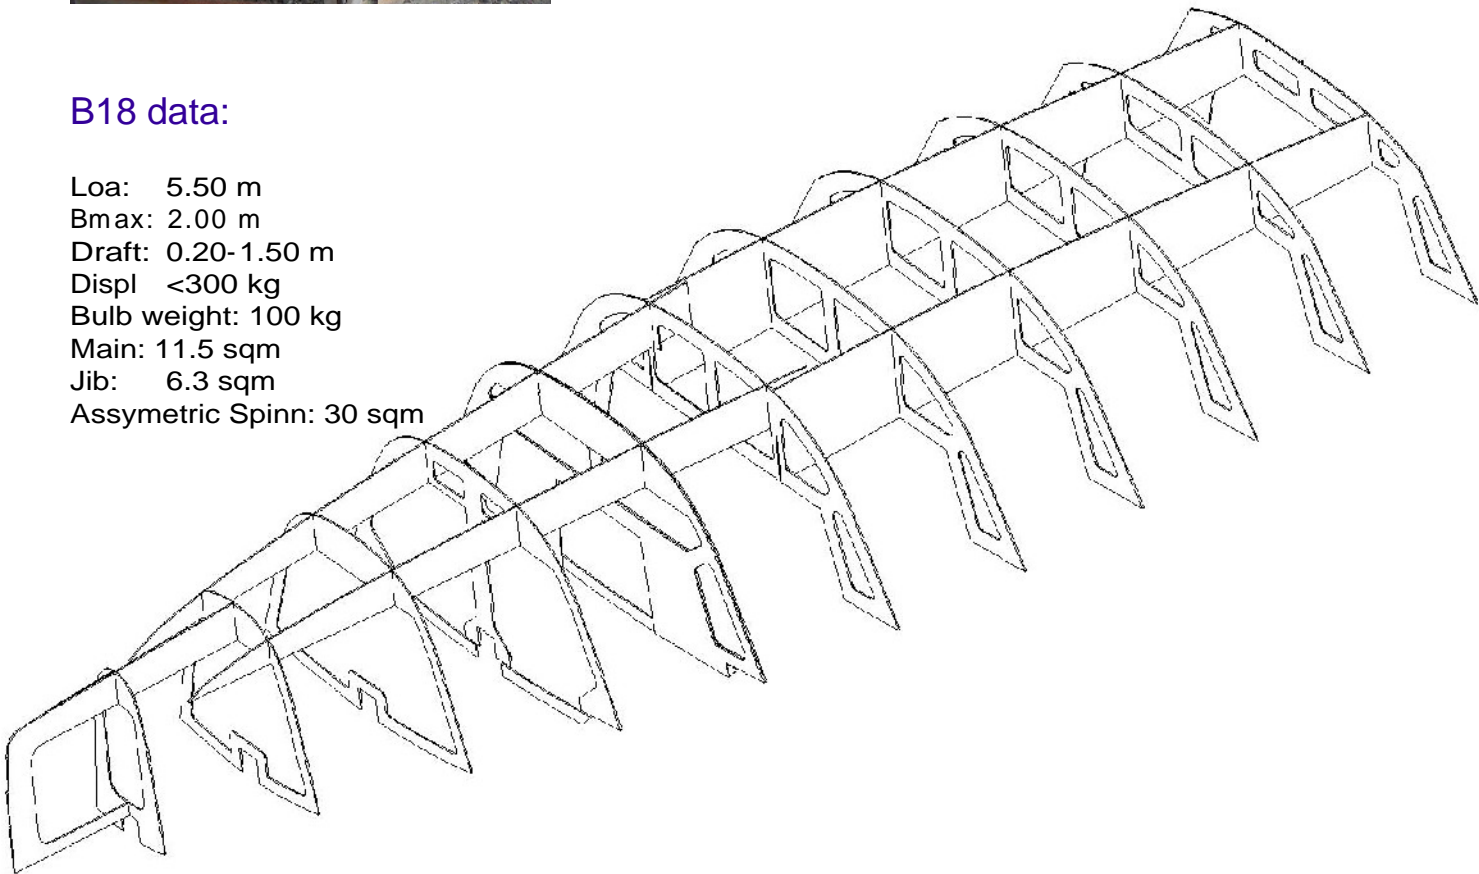

Backman18 is designed for sailors who want a high quality sports boat which is fast and affordable for day sailing and racing. Accommodation for weekend trips, two people (or two adults and two kids).

The major key points are:

- Very fast, fun and easy to sail
- Sailed by a small crew of two-three people
- Lifting keel
- Unsinkable
- Two-berth, lockable cabin
- Quality, high tech boat, built in epoxy and glass for long lasting performance and durability
- Easy to trailer and launch
- Towed by family car

B18 data:

Loa: 5.50 m
Bmax: 2.00 m
Draft: 0.20-1.50 m
Displ <300 kg
Bulb weight: 100 kg
Main: 11.5 sqm
Jib: 6.3 sqm
Assymetric Spinn: 30 sqm

Backman 18 can be built by you or a local boatbuilder from precut kits. All parts are precision cut on a cnc laser ready for a quick assembly.
